Birchcrest B Neighborhood Roadway Improvements

Dear Resident:

Project Schedule

Remember on-street parking during reconstruction will not be allowed in areas where crews are working.

This week crews will continue with roadway surface pavement reclamation. The roadway will be open during the reclamation process, with isolated closures in areas where crews are working. Please use caution when driving through these areas.

Crews will also be replacing fire hydrants, making spot repairs on the sanitary sewer main and replacing water main gate valves. Large holes will be dug the street in front of your home to repair these utilities. If crews are digging directly in front of your driveway, they will request that you park on the street before they begin digging so that your vehicle isn't trapped in your driveway during the work. You may experience service interruptions during this time. Remember to routinely check your front door for time sensitive notices.

Crews will begin removing sections of curb and gutter and driveway aprons. A gravel ramp will be built so that you can access your driveway.

All schedules are weather-dependent and are subject to change.

Communications

Please contact me if you have any questions or comments regarding this project. You can reach me at 952-826-0448 or dnorthenscold@EdinaMN.gov. For more information about emergencies, non-emergencies, site safety or what to do when you have special events or home improvement projects planned, visit www.EdinaMN.gov/BirchcrestbB.

The City of Edina, Palda & Sons, Inc. and I thank you for your patience and cooperation throughout the project.

Sincerely,
Derek Northenscold
Engineering Technician
